

Directions to Hitec Laboratories Ltd

**Directions to:
430 Bath Road, Slough, Berkshire. SL1 6BB**

Tel: 01628 600900

By Road – From M4

Exit the motorway at Junction 7, head north along the dual carriageway keeping in the right hand lane until you reach the roundabout at the end. Take the 3rd exit right onto the Bath Road. Proceed through one set of traffic lights and take the next left into Kelpatrick Road. Turn immediately right into the service road and 430 can be found approximately 100 metres on the left.

By Train

Trains run from Paddington and Reading on First Great Western.

www.firstgreatwestern.co.uk

Take the train to Burnham Station which is one station on from Slough from the Paddington direction and one stop on from Taplow from the Reading direction. As you come out of the station turn right towards the road and right again under the railway bridge, head south along Station Road. At the traffic lights with the Bath Road, turn right and 430 is located approximately 10 metres on the right.
